A CHRISTIAN UNIVERSITY

Dear Prospective Graduate Student:

We are delighted that you are interested in our graduate programs. As you can see on the first page of this application packet, Mississippi College has a variety of quality graduate programs and majors.

As evidence of this quality, all our graduate programs are accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; Telephone number 404-679-4501). In addition, the graduate programs have received accreditation from the following groups: The Council for Accreditation of Counseling and Related Education Programs, The Association of Collegiate Business Schools and Programs, The National Association of Schools of Music, and The National Council for Accreditation of Teacher Education. This testifies not only to the quality but the variety of the university's instructional program.

Further documentation of quality can be seen in *U.S. News and World Report's* listing of "America's Best Colleges," *Barron's 300 Best Buys in College Education*, *The New York Times* Best Buys in College, and the esteemed Templeton Foundation, which lists the country's top 100 character-building colleges.

These quality graduate programs are offered in a Christian environment that combines faith and learning. When you enroll in a graduate program at Mississippi College, you become part of a Christian community whose members share a set of values and care about each other.
